Cold Damage To Cane Unknown—To Vegetables Not Major

Rites Held Monday For Al Kirchman

Alvin August Kirchman, 55, of Tabi Road, a Belle Glade resident for 42 years, passed away Friday morning at Good Samaritan Hospital, West Palm Beach. He had been ill only a short time, and his death came as a shock to his family and friends.

A native of Sumner, Iowa, Mr. Kirchman came here in 1921. He was a member and

Lighting Contest

Deadline Dec. 19

The Belle Glade Garden Club is sponsoring the Christmas Lighting Contest in Belle Glade in cooperation with the Florida Power and Light Co. for homes. Cash prizes will be given for lights, windows and outside lighting effects for first-second and third.

The commercial awards will be given for displays in first, second, third and honorable mention. Awards will be given in cooperation with the Jaycees. Only those signed up with the Chamber of Commerce will be judged. The deadline is Dec. 19. There will be out of town judges.

Production Credit Lends Farmers \$200 Millions

About 4,000 Florida farmers, growers and ranchers will be furnished approximately \$75 million in short and intermediate-term credit by the new production credit associations in Florida during 1962, according to Harry E. Matthews, director of the Farmers Production Credit Association.

Mr. Matthews, who has just returned from a meeting of PCA executive committees held at Orlando, reported that credit service to agriculture by the farmer-owned credit co-ops in the Third Farm Credit District composed of Florida, Georgia, South Carolina and North Carolina, continues to increase. On September 30, 1962, the 80 production credit associations in the District had nearly \$200 million in loan volume outstanding, nearly \$22 million more than a year earlier.

A Credit Needs of Farmers in 1963" was discussed as a feature of the Orlando meeting by J. H. Clark, professor of Agricultural Economics at the University of Florida.

"Current Topics Important to the Credit Bank-PCA System" was discussed by R. A. Darr, president of the Federal Inter-

"Get That Dollar" Must Be Orders To W. P. B. Police

It must be a mistake — for even the Police of West Palm Beach would hardly dare monkey with the Courts facilities.

Tom Priest served on jury duty this week at the County Courthouse. When he received his summons he also received a card which intended to allow him to park overtime while on duty. This was to be assured by placing the card on his auto wheel.

When he had served and was discharged he found a parking ticket, as did a fellow jury man parked next to him.

Stern measures have been taken in these old US to enforce the Courts will!

128 Subscribe \$751,050 Capital To New Glades Community Bank

Quades residents from Canal Point to Clewiston - 128 of them — have subscribed a total of \$751,050, towards the capital stock of a new Community Bank for the Glades, according to reports by the Escrow Agent, Frank Dooley.

"Included in the list are three whose mailed subscription were not received within the deadline specified," says Mr. Dooley, "and a meeting of the subscribers will be called to determine whether they will be accepted."

According to the previously announced plan, each subscriber for an amount over \$1,000 will be granted a certificate so that the original capitalization plan will not be exceeded.

There are subscribers for amounts from \$100 to the limit of \$30,000 or 5 percent of the proposed capitalization.

The First Research Corp. is making a survey.

A meeting of subscribers stockholders will be called on January 3rd, place to be announced.

It costs \$15,000 to hold the election, for an average cost of four dollars each for the 3,768 that voted.

A total of 822 absentee ballots were cast.

2000 HI Seniors Visit PE R. College

Nearly 2000 seniors from the nine high schools in Palm Beach County have visited Palm Beach Junior College in the past several weeks where they heard talks by Dr. Harold C. Manor, President, concerning opportunities of their community college.

Dean Paul J. Glynn, in talking to the seniors, stressed the need for post high school education or training because of the increasing demands for higher standards by industry.

Tours of the 114 acre, 11 building, campus are in charge of Mr. Robert Moss, Guidance Counselor, and members of the campus Circle "K" Club.

Annual Lions Banquet To Footballers Provides Advice, Steaks - Fellowship

The Lions Clubs of Pahokee and Belle Glade wind up the football season each year with a dinner to the players, coaches, cheer leaders and supporters.

The festivities this year were held in the high school auditorium and were well attended by those invited, including the coaches' wives.

Junior Cheer Leaders served the sumptuous dinner.

Haywood Sullivan, Coach for Kansas City is a University of Florida athlete of fame and the holder of medals and cups for records as a player.

Sullivan told the crowd that "any youngster now-a-days can secure college education if he has the determination, for there are ways of providing the necessary expenses."

The speaker also stressed the importance of physical fitness, not only to athletes, but to the student, whether he be in high school or college.

"Best Ever" is apparently the best way to describe the banquet, for prizes are many and valuable to the host clubs.

"The bridge isn't hurt."

County Commission Memorializes Middleton

The county commission Monday stood in a moment of silent prayer and then adopted a resolution of sympathy marking the death of County Engineer Steve Middleton.

Middleton, who was named county engineer in 1953, died early in Dec. after a brief illness.

The resolution called attention to Middleton's thoroughness, integrity, and ability to perform his duties in such a manner that his action had been a great part in the development of the county.

There were subscribers for amounts from \$100 to the limit of \$30,000 or 5 percent of the proposed capitalization.

Local Officials Attend Boca U Ground Breaking

Mayor F. C. Markham, City Clerk, Vera C. Jones and Mrs. Emmett S. Roberts attended the luncheon and ground-breaking ceremony of Florida Atlantic University at Boca Raton last Saturday. Mrs. Roberts represented her husband, State Representative Emmett S. Roberts, who was attending a meeting in Jacksonville. Even though Mr. Roberts missed the luncheon, by taking a commercial plane to West Palm Beach and then a private plane to Boca Raton he arrived in time for the ground-breaking ceremony.

Six hundred and fifty people attended the buffet luncheon at the Boca Raton Club. Honorable Fred O. Dickinson was the main speaker. Governor Farris Bryant was the main speaker at the ground-breaking ceremony which was attended by approximately 1,000 people.

The City of Belle Glade was represented by Mayor Markham and Mr. Dickinson. Governor Bryant and Mr. Dickinson praised the people of Palm Beach County and the Resources Development Board for the vigorous campaign to make this historical occasion possible.

Low Point In Vegetables Movement Prevents Otherwise Major Losses

The ambulating Artic weather dropping on the Glades — it dropped to 19-21 in places — found the vegetables harvest at a low ebb, and consequently the damage reported up to Wednesday afternoon is not considered major for the area as a whole.

Corn, the greatest sufferer are that 60 to 75 percent of the acreage-wise had been falling off in harvest during the past few days, and spring corn had not yet been planted. Estimates

Louis Lowery Painfully Hurt

Louis Lowery Detective Chief was in "hot pursuit" of an offender of Belle Glade's law and headed south on North Main Street with his blinker aging and his siren yawning.

Howard Halford came up on the road from the west but didn't see the flasher, nor hear the siren. Louis attempted to avoid the car in his path, but didn't quite make it. He suffered severe lacerations, chipped bones and a near-amputated tongue.

Louis' car suffered considerably too.

Halford was charged with DWI (driving While Intoxicated).

Louis is home and around, but "ain't sayin' much."

Schools Close Dec. 18 For Xmas Holidays

Principal Pellon Morris announces school will be out after Tuesday, Dec. 18 for the Christmas holidays. Students will return to school Jan. 2, 1963.

Practically all beans are gone, although pole beans constituted a major of the acreage.

Radish were frozen to the ground in most places, as they are generally on the land away from the Lake.

Potatoes are reportedly already made, with most chances of further growth coming after the vines are killed, which they were.

While there are reports of low readings in areas where cane is known to be planted, there is no reliable estimate of the damage. A great deal depends on the weather following whatever Nature has in store for the Glades Thursday and Friday.

The ability of the mills to grind the cane before the source was crumpled from the frozen temperatures, through the entire stalk, will determine the damage, if more cold comes Wednesday and Thursday nights. Cane has been harvested 60 days after a freeze with a saving of a major portion of the crop.

Whirlybirds are in use in the Glades in corn fields especially, and it is reliably reported that several fields were saved Monday night by their use.

Thomas and Sons rolled high team game 743 and high team set 2101. High individual scores were won by first Lucy Cameron, 203-551; Frances McLeod second with 200-517.

Trooper Bill says...

Don't be a backseat driver! There's room for only one at the wheel, and he'll be more alert if left alone. Either be quiet or drive yourself—you'll both be better off.

Letters to the Editor

Editor
Belle Glade Herald

Dear Sir:
May I extend the sincere thanks of the Palm Beach County Guidance Association for your assistance in publicizing the activities of our recent convention of the Florida Association of Guidance Counselors at the Holiday Inn on December 6, 7 and 8.

May we also point out that, thanks to efforts of Vince Marquess, Vance Denton and Herman Close, an excellent display of vegetables and sugar corn was on display. The Chamber of Commerce cooperated with these young men to assist us in door prizes, which made the biggest hit of the convention.

For all this, we are extremely grateful and we wish to express our sincere thanks to the wonderful people of the Glades.

Sincerely,
Paul J. Glynn
Dean of Student Personnel

Smoke In Glades Brings In Money City Says Thanks

Usually where there's smoke, there's fire, we've heard. When there's fire in a city, there's need for the fire department.
There's a lot of smoking going on in the Glades that strengthens the finances of the several communities, and it's sent by check to them without any "how-de-do."
Belle Glade collected \$8,453.13 in cigarette tax for the month of October; South Bay got \$1217.25. Pahokee \$3,343.75 and Clewiston \$3,437.68.
There was more smoking in Belle Glade than in the other three communities combined during the month.
Maybe the Sugar Mill workers are a "smokin' lot."

New Directory Ready For Use In B.G.

If you didn't make the current social register, or "blue book," let it disturb you no longer. The Belle Glade and Pahokee City Directory, including Canal Point, Clewiston and South Bay, published by R. L. Polk & Co., of Richmond, Virginia, is out this week, and you're probably made that — if you live or work in Belle Glade, Pahokee, or vicinity are at least 18, that is.

The City Directory is a peculiar book, alone in its field, and with a style all its own. Like the dictionary, it says much in a few words, many of them abbreviated to a "sketch." While it does not attempt to rate credit, it does furnish clues in this direction; it distinguishes between corporations and partnerships, bachelors and benedictines, misses and matrons, employers and employees, executives and janitors. It is democratic in that alphabetical sequence is the ironclad rule of priority in the listings. Thus one may note that here for once pouper and millionaire, ragamuffin and Beau Brummel, workman and "big wheel," hod carrier and "big wheel" of industry, scrubwoman and social dowager, "Judy O'Grady and the Colonel's Lady," rich man, poor man, bear man and thief, rub elbows.

The new edition is a substantial one-column volume, listing 8,548 names in Belle Glade, Pahokee, and vicinity. The combined names of man and wife are considered as only one name. The Publishers pointed out.

Special features of the Directory include the designations of tenant-owned and rented homes, heads of households, marital status, women's names, and homes and places of business having telephones, a numerical telephone directory, and an illustrated story of the city of the Chamber of Commerce.

The Publishers commented on the wide business diversity of the area, pointing out that they found many different kinds of business and professional enterprises in operation here, ranging alphabetically from Amusement Machines to Water

Companies, and chronologically from "Piano Tuners" to "Television," and running the diversified gamut through "Automobile Painting," "Hairdressers," "Scale Dealers," "Flour Dealers," "Laundries — Self Serve," "Dairies," "Dry Goods," "General Merchandise," "Baby Sitters," "House Movers," etc.

The Belle Glade-Pahokee City Directory functions as a sort of ambassador for this busy area over the country, showing outsiders "who's who, what, where, and how," the Publishers pointed out. The latest issue of the book is distributed to numerous branches of the free Directory Library system operated country-wide by the members of the Association of North American Directory Publishers, of which

R. L. Polk & Co. is a member. The local unit of this Out-of-Town Directory Service is maintained at the Belle Glade Chamber of Commerce for the free reference use of the public.

GLADES CHURCH NEWS

The Herald welcomes news items from your church each week. Call WYman 6-2844 not later than Tuesday noon for publication Thursday.

KATHLEEN LIVINGSTON, Church Editor

Glades Evangelistic Assn. To Meet Fri.

The Glades Evangelistic Association will meet this Friday at 4:00 p. m. at the Community Methodist Church to further their plans for the Area Wide Revival scheduled for Belle Glade January 27th-February 10th.

Rev. Fenton, chairman of the association announces that Rev. S. J. Davis will serve as chairman of the tent and grounds committee; Rev. Max Jones, as chairman of the Children's Service Committee and Mr. H. B. McCall as Co-chairman of the Finance Committee.

There are now 12 church groups and 15 ministers who have committed themselves to this Evangelistic Association. Each church or group which co-operates in the Area Wide Crusade are having equal representation on each of the Committees with each church having one serving on each of the committees.

Many area Churches have questioned the financial arrangement of such a crusade for the Glades. No church or person is responsible for the budget of the crusade. The finances of the Revival are handled entirely by the Finance Committee. They collect, disburse and account for the money. The Daniels Revival Party does not deem it wise to handle the finances, although E. J. Daniels does underwrite the expenses. (That is if he is not raised he pays them. If instead of leaving it for the lo-attend.

Junior Dept. No. 1 First Baptist Church To Have Xmas Program

Junior Dept. 1 will have its annual Christmas program in Scripture and song on Sunday, Dec. 16 at 3:30 p. m. at the First Baptist Church.

Friends and parents are extended an invitation to attend the program and the open house following.

BG Area Ministerial Assn., To Meet Monday

The Belle Glade Area Ministerial Association will hold its regular monthly meeting Monday, Dec. 17 at the First Baptist Church. The meeting will be held at 8:30 a. m. All members are urged to attend.

L. Harbor Methodist To Have Xmas Cantata

The Christmas Cantata, "Night of Miracles," will be presented at the Community Methodist Church, Lake Harbor Sunday, Dec. 16 at 7:30 p. m. Mr. Henry Williams pastor of the Baptist Church will direct the cantata. Everyone is invited to attend.

Dr. Harry F. McGee To Speak On Bible Prophecy Sunday

The First Independent Missionary Baptist Church of Chosen, located, West Canal Street South, N. W. 14th Street South, will have Dr. McGee speak at 11:00 a. m. on December 16, with guest speaker, Dr. Harry F. McGee. Dr. McGee is a well known Bible expositor on prophecy and has taught new testament Greek doctrine and prophecy in Bible institutes and seminars for the past several years. A missionary in Mexico and Central America, Dr. McGee served in World War II as Chaplain in the Army.

The Lord has enabled Dr. McGee to keep his finger on the pulse of international development in fulfillment of Bible prophecy. The messages that will be presented at the First Independent Baptist Church of Chosen on December 16th, will be concerning the fulfillment of Bible prophecy. Sunday morning's message is entitled, "One Last Sign of the Second Coming of Christ." The afternoon rally messages are entitled, "My personal audience with the pope" and "The Mark of the Beast."

The evening service will be conducted along the lines of Bible Prophecy.

Joy And Star Circles Have Christmas Program

The Joy and Star Circles of Community Methodist Church met jointly for their Christmas program on Tuesday morning, December 11, at the home of Mrs. H. O. Carlton, with Mrs. Alice Fox as co-hostess.

"Christmas Is Sharing" was the title of the program presented by Mrs. Dorothy Tucker. The program began around a centerpiece of poinsettias and lighted candles, which provided the only light in the room, and several favorite carols were sung by a quartette composed of Mrs. Gloria Smith, Mrs. Betty Carlton, Mrs. Sally Boland and Miss Margaret West.

Methods of sharing Christmas were told by Mrs. Mary Lou Morris, Mrs. Martha Allison, and Mrs. Helen Burr, followed by a group discussion on how we all could share our Christmas. This fine meeting was enjoyed by 20 members and two visitors, Mrs. Donald Williams and Mrs. Melvin Sheahan.

If we spend our lives in loving, we have no leisure to complain, or to feel unhappiness. —Joseph Joubert

"A Saviour Which Is Christ"

By Rev. Luther A. Key (This is the continuation of a Bible story leading up to the birth of Christ.)

We live, in many instances, for instance, Elizabeth, and her husband were informed the same as was Mary, that Joseph that they, too, would bear a child; that he would be a son and that they were to call his name Jesus, who, in a sense, a deliverer or a saviour of those that would believe in him, they would believe in what he spoke and what he did.

Now these are all good examples of what I mean when I say there can be, in a sense, a savior who is not Christ the Lord. But the angel said "Unto you is born this day in the city of David, a Saviour which is Christ the Lord." Now, for a long time during the earthly ministry of this Jesus of Bethlehem, grown up into manhood, there were a group of men, some 12 in number, that were constantly in attendance upon Jesus. They were always with him and they were being taught by him, but there is something astonishing when we read in the record that they did not themselves fully believe in him as the Saviour who was the Christ. We remember a story of the occasion when Jesus was teaching them their lack of understanding of him as being the Christ, approached them with this question. He said, "Whom do men say that I am?" Well, they spoke up rather readily and one of them said "Well, they say that you are Moses."

Well he was a deliverer wasn't he? As Moses was a deliverer. Even the prophet Isaiah said, relative to his power. "They that sit in darkness have seen a great light." Yes, they were in darkness now walk in light for he has broken asunder the bands, the chains, that doth so beset them.

They said, "You're Moses," he said, "Is that all that I am, just a deliverer?" Well, they say that you are "the prophet," Elijah, not the one that he wanted them to say, but somebody else. They said, "You are the prophet Elijah, whom God took away to heaven in a whirlwind and a fiery chariot." Well, he said again, "Whom do you say that I am?" And that's the question that he's asking, once again. That's the question that you and I need this Christmas season to ponder in our hearts until we are sure that we answer it correctly.

Who do you say that Jesus, the babe of Bethlehem, is? Is he just a good man? Is he just a deliverer of the people who are in adverse physical condition? Is he a deliverer from the evils of the world, or is he the Christ, the very son of God, the divine one, the holy one, the righteous one who will save unto the uttermost of every sin, those that come unto God by him. Whom do you say that he is? Who is this babe of Bethlehem? Who is the Christ of the manger? Who is the Saviour of the world? I was quite an old boy, almost in my later teens, before I knew that Christ was not the last name of Jesus. For a long time I thought his whole name was Jesus Christ just like mine was Luther Key, and it's astonishing today when we are so advanced in intellectual knowledge in other fields that so large a number of people do not know that Christ is the divine name of Jesus, that he is the divine Lord, that he is the holy Lord, he is the righteous God.

I think we need to reiterate upon the statement made by John in the first chapter, in the first verse of his gospel. "In the beginning was the word and

the word was with God, and the word was God." And then that 14th verse of the same chapter, "We beheld his glory as of the only begotten of the Father, full of grace and truth. He became flesh and dwelt among us and we beheld this glory, as the only begotten of the Father, full of grace and truth. This is the Christ, but whom do we say he is? This morning if he should appear to you in the quiet divinity of your own home or here in this lovely sanctuary and as you, "Whom do you say that I am?" What would be your answer?"

Christmas Cantata Slated Sunday Night At First Baptist, S. Bay

The Five Choirs of the First Baptist Church of South Bay will present on Sunday night the Cantata, "What Child Is This?" by Loren R. Williams. The Choirs will be under the direction of the Pastor, Rev. James A. Fenton.

Know Your Bible

Test your knowledge of the Bible. 1. How many men wrote the New Testament? 2. What is the shortest verse in the Bible? 3. Noah was the daughter or whom? 4. Who wore the same shoes for forty years? 5. "What must I do to be saved?"

You are invited to learn more about God's revealed will to man by attending the following periods of Bible Study at the Belle Glade Church of Christ. Sunday — Bible School — 10:00 a. m. Children's class — 9:00 p. m. Wednesday — Bible Classes, 7:00 p. m. Come! bring your Bible.

The basis of Christmas is love. Loving thy enemies, returning good for evil, love that "suffereth long and is kind."

—Mary Baker Eddy

Robin Griffith Christened At Lutheran Church

On Nov. 25 Miss Robin Michelle Griffith, daughter of Arlene (Kirchman) Griffith, Jacksonville, was christened in St. Peter's Lutheran Church, Belle Glade, Pastor William A. Reitz of Belle Glade christened the baby.

Maternal grandmother of Robin is Mrs. F. C. Kirchman of Chosen. Sponsors were Ron, Kirchman, Jane Kirchman and Archie Kirchman. Witnesses were Mr. and Mrs. Ken Kirchman, Huntsville, Ala., and Mrs. and Mrs. Doug Griffith, Baker, Fla.

Candles Featured In Christmas Arrangements At Garden Club Meet

A wide variety of arrangements collected over a period of years were displayed by Mrs. James D. Latham of Canal Point.

St. Philip's Altar Society Holds Xmas Message From President

The following message was given by Mrs. Duxbury, president, at the Altar Society meeting Tuesday night.

"As the Feast of Christmas recurs year by year, the message of the crib of Bethlehem sounds in Christian ears with accents of a holy joy which is ever new and ever finds a tender echo in Christian hearts; the message of Jesus' light amidst the darkness. To a world plunged in the gloom of tragic error it brings the light of heavenly truth; to a humanity enduring the pangs of a deep and bitter sorrow it gives abundance of joyful hope; to the children of Adam shackled in the bonds of sin it brings assurance of deliverance; to those, unprincipled spirits of suffering and afflicted ones who see their happiness lost and their energies broken in the storm of hatred and strife now raging, it gives promise of mercy, love and peace.

Christmas is a time for doing for others. Through our prayers, through gifts, through kindness toward our fellow men. As the head of our list should be prayers for peace to the Prince of Peace. Increase our prayers for peace.

In true Christmas spirit, give gifts in honor of the Christ Child to our family and friends, to the poor and unfortunate people of the world. In your charity at Christmas, remember also the sick, the lonely aged person, the stranger and the orphaned child. Ask for help in the name of the infant Jesus. Families receiving Holy Communion together, in the time of meaningful work of showing our love and preparing for the birth of Christ.

Let us have a Christmas in which we may all have peace and love and peace to all this Holy Season. This is my Christian wish for you, and yours.

All will be attending the Christmas party at St. Philip Hall Saturday evening. If you need a ticket call Mr. Finan, Mr. Craft or call 6-5689.

Churches of Christ Scientist

The availability of divine protection and safety will be explained Sunday at Christian Science church services.

Highlighting the Lesson-Sermon entitled "God the Father of Man" is the Golden Text from the Bible (II Timothy): "The Lord shall deliver me from every evil work, and will preserve me unto his heavenly kingdom."

One of the citations to be read from Science and Health with Key of the Scriptures by Mary Baker Eddy states (P. 151): "The divine Mind that made man maintains his own image and likeness."

These verses from Psalm 121 will also be read: "The Lord shall preserve thee from all evil; he shall preserve thy soul. The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore."

DAD... if several members of the family drive your car and an accident occurs over which you have no control, but for which you are financially liable...

Shower Compliments Baby And Mother

The home of Mrs. Imogene Goodlett was the scene of a shower for Mrs. Goodlett and new baby girl, Mrs. Jo Hayes.

Refreshments of cake and coffee were served and the honoree opened and displayed many nice and useful gifts.

Guests were wives of the Belle Glade policemen. Every one had an enjoyable evening, including the baby.

A business meeting was held preceding the program, with Mrs. J. H. Halbrook, president, presiding. The treasurer's report was heard and committee reports were given.

Delicious refreshments of fruit cake and ambrosia were served by the hostesses, Mrs. Friend and Mrs. Halbrook. Present were Mrs. W. C. Pessen, Mrs. E. M. Gaskill, Mrs. Sera Smith, Mrs. Irvin Zump, Mrs. Pearl Rawls, Mrs. Billy Evans, Mrs. W. R. Hooker, Mrs. C. J. Ager, Mrs. James McNeil, Mrs. R. E. Watson, Mrs. C. S. Mix, Mrs. R. E. Hollingsworth, Miss Margaret West, Mrs. D. C. DeHaven, E. J. Hodges, Mrs. Ivan Van Horn, Mrs. Lonnie Warren, and Mrs. L. C. Williams.

Mrs. J. L. Kenyon spent the weekend with her husbands parents, Mr. and Mrs. L. R. Kenyon at Winter Haven. She has been visiting her parents, Dr. and Mrs. Robert J. Allen here and left Wednesday to return to Kilren, Texas, where her husband L. Kenyon will join her later.

Mr. and Mrs. Bill Beardon and children, Julie and Lisa of Tampa were weekend guests of their mother, Mrs. Edward Allen and Mr. Allen.

Mrs. Sera Shera Smith had a wonderful weekend vacation at the Grand Bahama Hotel, A Jack Tar Resort, West End, Grand Bahama.

Bill Van Landingham, ATR 3 of Norfolk, Va., arrived last night and will be home with his parents, Mr. and Mrs. E. M. Van Landingham through the holidays.

Mr. and Mrs. D. C. DeHaven have returned here for the winter months from their home in Martinsburg, W. Va.

Mrs. Verda Matheson has been ill with the flu for about 10 days, but is hoping to be well enough to return to work at the Belle Glade Head next week.

Jim Wooten was released from Belle Glade Memorial Hospital Tuesday, and was back on the job at Florida National Bank on Wednesday.

Mrs. E. P. McAllister was released from St. Francis Hospital Sunday, where she was a patient for over two weeks. She is improving daily.

BPW Club's Annual Xmas Party Dec. 17

The home of Mrs. Gladys Jones will be the scene of the annual Christmas Party of the Belle Glade Business and Professional Women's Club, Monday, Dec. 17 at 8 p. m.

Members will bring articles for the Christmas baskets which they donate each year to needy families.

Mrs. Audrey Jones will be in charge of the program and members will participate in a gift exchange. Guests may be invited to attend by the members.

Twenty-Eight Enjoys Bill Robinson's Party

Twenty-eight children helped Billy Robinson celebrate his seventh birthday at the Municipal Park Shelter. Billy's mother, Mrs. W. S. Robinson entertained for the youngsters with games.

The shelter was decorated with big colorful balloons. Herbert Geise and Tommy Murray, assisted Mrs. Robinson in blowing up the balloons and setting the table.

Games of pin the tail on the donkey, May 17 and Red Light were played. Pat Fraick and Sharon Hicks were prize winners. The birthday cake featured a deal of a cow boy and the table cloth, napkins, and cups carried out the Mickey House theme. Cake, punch and candy were served with Mrs. Gladys McDonald cutting the cake.

Billy received a present of a watch from his parents and opened and array of nice gifts from the children. Toralee Hicks was also present.

Jones-Frasure Marriage Told

Mrs. Homer Frasure, Jr. and Mrs. Marvin B. Jones of Pensacola, announce the marriage of their daughter, Miss Nancy Jones to Homer W. Frasure, Jr., Seamen apprentice, USN, son of Mr. and Mrs. Homer W. Frasure, Sr., of South Bay.

The couple was united in marriage at Donaldsonville, Ga., Oct. 27 with the Rev. Henry K. E. performing the ceremony in the Methodist Church.

Mrs. Frasure is a 1962 graduate of Escambia High School, Pensacola.

Mrs. Frasure a graduate of Belle Glade High in 1962 entered the Navy on Sept. 18 and served his boot training at Great Lakes, Ill. He is one of the crewmen of Helicopter Training Squadron Eight assigned to aid in the training of the Navy and Marine Corps helicopter pilots at Pensacola. The squadron is based at Ely Field Auxiliary Landing Field, part of the Naval Air Station Complex in Pensacola. He will be transferred to Key West Jan. 1.

Hernando DeSoto was perhaps the first white man to view Florida's Silver Springs in 1539.

Hospital Auxiliary Officers Seated

Officers for 1963 were installed at the meeting of the Belle Glade Memorial Hospital Women's Auxiliary on Dec. 4. Mrs. R. V. Allison, past president, was the installing officer.

Officer seated were: President, Mrs. David Baile (by proxy) vice-president, Mrs. J. A. Baker; recording sec. Mrs. Victor Mulberg; corres. sec. Mrs. J. E. Fraser; treasurer, Mrs. I. L. Price.

Mrs. J. A. Baker, presided at the meeting in the absence of Mrs. David Baile, at which annual reports were heard.

The Auxiliary members held a workshop last Saturday a. m. at 10 o'clock to make Christmas decorations for the patients rooms.

Attending were Mrs. C. A. Bailey, Mrs. Dora McWhorter, Mrs. Mildred Haney, Mrs. J. E. Fraser, Mrs. J. A. Baker, Mrs. J. A. Finan, Mrs. Victor Mulberg and R. Allison.

They are the true disciples of Christ, not who know most, but who love most.

—Frederick Spanheim

Birthday Greetings

Royal Poinciana Playhouse Opens Jan. 21 With Eva Gabor In Comedy

Frank J. Hale today announced that the sixth season of the Royal Poinciana Playhouse will include the return of favorites to the Palm Beaches. Opening the 1953 season on January 21, will be lovely Eva Gabor, youngest and most talented of the three glamorous Gabor sisters, who will appear in the long-run comedy hit, A Shot in the Dark. Palm Beach play-goers who remember Miss Gabor's sprightly high comedy performances in two of Noel Coward's sophisticated romps, PRIVATE LIVES and BLITHE SPIRIT, will be delighted by her change of pace in this refreshingly different French farce. Vivacious Miss Gabor, Hungarian-born and Swiss educated, is eminently suited to play Josephine, this

role, recently performed by Julie Harris on Broadway, is that of a pret and charming French maid, hilariously entangled in a web of intrigue and murder.

Also slated for a return to the stage of the Playhouse is Miss Aylene Francis. She is perhaps more widely known and beloved in her television career than any other star of the mid-century. Miss Francis has made her warmth and charm felt by millions of viewers ever since beginning her TV career in 1950, as a panelist on "What's My Line." Patrons of the Playhouse who saw Miss Francis in John Van Druten's OLD ACQUAINTANCE know how gracious and winning a personality this great star is on the stage. Miss Francis will be presented in a sophisticated comedy tailored for her special gifts.

The week of March 11-16 will see Fred Waring and his inimitable Pennsylvanians back at the Playhouse with an all-new musical extravaganza, Called "The Excited Musical Organization in the World." The Pennsylvanians are well-known in the Palm Beaches from their appearances here in 1950 and 1951, as well as countless radio and television appearances.

Other attractions to be presented during the 10-week season include two recent comedies from the Broadway stage: TAKE HER, SHE'S MINE, Phoebe and Henry Ephron's long-run play which has captivated the delightful Elizabeth Ashley to stardom and SUN, DAY IN NEW YORK, a youthful comedy which was one of last year's hits.

For information concerning season subscriptions, call Mrs. Bernard W. Gault, Playhouse Subscription Director at 832-6868 or write the Playhouse, P. O. Box 231, Palm Beach.

RESEARCH AWARDS — 1952 Research Awards of the Florida Fruit & Vegetable Association were presented at the 19th Annual Convention of the Association at Miami Beach recently. Pictured (left to right) are: Henry W. Schneek, Technical Seed Consultant, Plant City, Florida, whose award was in recognition of his diligent efforts to improve varieties of Florida celery — highlighted by the outstanding and widely used 2-13; Chairman of the Association's Research Award Committee, George Wedgworth, Belle Glade; and Dr. Marshall R. Godwin, Professor and Marketing Economist, Department of Agriculture Economics, University of Florida, Gainesville, who was honored in recognition of his research contributions on Demand and Consumer Preferences for Florida fruits and vegetables.

Oldsters, Blind, Disabled-Children Of PB Co. Get \$184,182 For October

Reverend Paul M. Gassen of District 10 Welfare Board of the State Department of Public Welfare, reported that in Palm Beach County 6,471 persons were assisted in the four categories of public assistance for the month of November, 1952. A total of 1,949 persons received Old Age Assistance in the amount of \$88,689. 107 persons received Aid to the Blind totaling \$6,621. 1,015 families, representing 3,253 children, re-

Deadline For Reserving Auto Tag Is Dec. 28

Mrs. Edwina Young, at Glades Office Building reminds everyone there is only three weeks until Dec. 28 to reserve your automobile tag number for the coming year. So far this year 83 have been reserved as to 57 last year.

Local people are finding it convenient and easy to remember to have car tags reserved the same as their telephone number. Also by reserving your tag, you avoid waiting in line. The reserved tags are the full amount plus reservation fee.

Walther League Xmas Party Sunday Dec. 16

Attention to all Walther Leagues: Don't forget the Christmas party Sunday, Dec. 16 at the home of Albert and Richard Kruse. All members are urged to be present so don't forget to come!

Puritans "Bacchanalian Feast" Now Our Religious & Social Event

Celebration of Christmas — the most widely observed religious holiday of the modern world — was at one time illegal in early American history.

Colonial New England did not celebrate Christmas, according to researchers at Compton's Pictured Encyclopedia, because the stern Puritan Colonists believed that such activities were woefully pagan and forbade them by law. Christmas came to the American colonies while it was the subject of strenuous controversy in England. English Puritans condemned it as "popish" and the secular celebration as a "wanton Bacchanalian feast."

Opposition of the English Puritans to festivals culminated in an act of Parliament in 1647 which abolished the observance of Christmas, Easter and Whitsuntide. This was echoed in the American colonies in 1659 when Puritans enacted a law in the general court of Massachusetts to punish those who "kept Christmas."

The law read "Whosoever shall be found observing any such day as Christmas or the like, either by forbearing of labor, feasting, or in any other way . . . shall be subject to a fine of five shillings."

The law was repealed in 1681 but many of the Puritans were not reconciled to this action. Secular reveling at Christmas

had often interfered with religious devotions and offended the Puritans' moral sense. This intensified their sectarian hostility to the religious observance of Christmas — an attitude they maintained for the better part of two centuries in parts of New England.

The fun-loving Dutch colonists of New Amsterdam, however, celebrated Christmas as their chief holiday. They brought the old customs from their homeland, especially the Christmas stocking and observance of the feast day of St. Nicholas.

In the Southern colonies, the planters celebrated the yuletide with feasting, singing, and dancing. On many plantations slaves were given a holiday as long as the great yule log burned.

The latter half of the eighteenth century saw a swing of attention to the realm of economics and politics and religious controversies became of less importance. The fact that English and Hessian troops celebrated Christmas during the Revolutionary War may have added a patriotic note to the denominational controversy.

General Washington crossed the Delaware River on the night of December 25, 1776, to surprise and defeat the British troops stationed at Trenton N. J. In the opinion of one writer, Washington's bold venture succeeded because the Hessians were enjoying their customary Christmas revels and failed to maintain the usual watch and patrols.

However, denominational opposition to the ecclesiastical observance of Christmas continued into the second half of the nineteenth century. An account in the New York Daily Times for December 26, 1855 read:

"The churches of the Presbyterians, Baptists and Methodists were not open on Dec. 25 except where some Mission Schools had a celebration. They do not accept the day as a Holy One, but the Episcopalians, Catholic and German Churches were all open. Inside they were decked with evergreens."

In the twentieth century, all denominations have embraced Christmas widely both as a religious and as a social celebration. Today, men, women and children in every Christian land crowd into churches to give their thanks. More than one fourth of the world's population — about 800 million people profess some form of Christian faith.

North-South Shrine All Star Game

At Orange Bowl, Saturday, Dec. 22

The North-South Shrine College All-Star football game will get its biggest promotional boost in its 17-year history when ABC TV will televise the contest to the nation from the Orange Bowl, Saturday, Dec. 22.

It will be the first time the famous game will have been televised.

The telecast will begin at 3:30 p. m. and will be viewed by an estimated audience of 30 million. The game will be blacked out for a 150-mile radius of Miami.

Proceeds of the annual contest are used in the care and treatment of needy crippled children in the 17 Shrine hospitals around the country.

Jim McKay will be the host announcer and the game will be live on the ABC-TV Wide World of Sports show. The same show will return to Miami later in the month to take the highlights of the Orange Bowl Regatta's closed course races Dec. 29-30, for another Wide World of Sports show.

Applicants For ASC '63 Program Asked To Sign Up

The Palm Beach County ACP Development group has announced the Agricultural Conservation Program for 1963 designed to help the farmers and ranchers on the county carry out needed conservation of the county's soil, water and wildlife resources.

All farmers and ranches who have conservation problems are urged to contact the Agricultural Stabilization and Conservation office. The initial sign-up period began Monday, December 3 and will run through January 15, 1963.

The program is administered by the ASC County Committee whose office is located at 531 North Military Trail, West Palm Beach and in the Glades Office Building, Belle Glade, Florida. Information concerning the program can also be obtained by phoning Overland 3-2406 in West Palm Beach or Wyman 6-5511 in Belle Glade.

The 1963 ACP was developed recently in a meeting of the agricultural agencies in the county including the ASC County Committee, the County Conservation Service, the County Agricultural Agent, and the Florida Forest Service.

Rams Vs. Stuart Friday At Home

The Belle Glade Rams Basketball team opened the Season Tuesday night against Riviera Beach's Hornets, with the opponent topping the Rams 66-47. The visitors led all the way. Belle Glade used only six men with Frank Kruse playing a strong game on the boards, and scoring 14 points but the Rams were unable to cope with the height of the Hornets.

Last year the Hornets were the co-champions of the Suncoast conference and one of the top teams of the year. The Rams were trying for an upset to match last years, when the Rams beat the Hornets, with a score of 66-47. Most of the boys who fashioned the upset are gone including Dewight Ward, The Bass boys, Johnny and Tommy, Robert Rabara and Bobby Stratton.

Returning from last years team to start starting berths for the first game were Tom Close, captain, and Frank Kruse, two six ft. 1 inch senior forwards. The center spot was filled by Jimmy Johnson, a 6 ft. 2 inch sophomore who should be a good rebounder and scorer as he gains experience.

The guards are Juniors Eddie Buckner and Charles Thompson. The team also has several other members of the squad are seniors Martin Buss and Mike Berryhill, Junior Skip Fuller, Sophomores Gary Mann and Albert Kruse and freshman Tony Latour.

This year's team is again small compared to most of the conference's teams and will be pressed to repeat its fourth place finish of a year ago in a conference expanded to eleven teams. The Rams have showed hustle and shooting accuracy in pre-season workouts.

The Rams will play Stuart at home on Friday night.

Dr. Stokes Speaks To Ev. USDA Club On Recent Travels

At monthly luncheon meeting of Everglades U. S. D. A. Club, Dr. I. E. Stokes, Research Leader, Sugarcane and Sweet Sorghum Investigations, Crops Research Division of the U. S. D. A. addressed the group on recent travels around the world during last September and October to attend the 11th Congress of The International Society of Sugar Cane Technologists on the island of Mauritius.

He illustrated his talk with colored slides of things of interest in Mauritius and other sugarcane countries that he visited on the trip. He visited India, Southern Rhodesia and Kenya in East Africa, Union of South Africa, Cocos Island, Reunion, Australia, and Hawaii. The color slides shown by Dr. Stokes to illustrate his talk were mainly of field practices and conditions under which sugarcane was grown in the respective countries, of symptoms of dreaded sugarcane diseases like smut and Fiji disease which fortunately by virtue of the close quarantine practices by the United States Department of Agriculture have not been introduced into the cane fields of this country.

A striking feature illustrated by slides and commented on by Dr. Stokes was the tremendous amount of large brown rocks in the fields. These rocks had to be removed from the soil before implement cultivation was practical and these rocks were practical in continuous 3 to 4 feet high wall-like pile between about every fourth row because of a weed problem in the rocks, the practice is to move these rocks by hand labor every year or two into an adjoining clean middle.

Dr. Stokes traveled to Mauritius and the several sugarcane countries in company with Dr. E. V. Abbott, Principal Pathologist in charge of the U. S. D.

A. Sugarcane Field Station at Houma, Louisiana.

This was the first meeting of the new year and the new slate of officers were in charge with Dr. F. Douglas Wilson presiding. New committee chairman announced by President Wilson were as follows:

Preston H. Dunkelman, Program Chairman,

Hiram Whittemore, Membership Chairman,

Carl O. Grassi, Educational Welfare Chairman,

Griffin Bell, Fellowship Chairman.

Bascom A. Belcher, Public Relations Chairman.

Mr. Dunkelman announced that the program for the next monthly meeting would be held at the Community Building in Canal Point and at the Sugarcane Field Station.

Guests of the club were Mr. P. Le Grand, Sugarcane Agronomist, Everglades Experiment Station, and Dr. Paul Thayer, Pathologist, Everglades Experiment Station.

Lawmakers Shown Florida Prisons Building Capacity

Florida's prison population will reach 12,000 by '70, for an average 158.9 inmates per 100,000 population as against a present population of 8,000 and an average of 141.1 per unit.

This increase in percentage is due "apparently to the increase in the youth population of 18-24, which accounts for 50 percent of the prison population," according to a report submitted by Director Wainwright to Governor Bryant.

Mr. Wainwright told the Legislature that the increase in civilian population, and projections of prisoner population have been based on this fact remaining constant.

The report also says, "A modern, up-to-date, realistic correctional program requires more than the provision of bed space and we hope the auxiliary spaces required for proper religious, medical, educational, recreational and other facts of a first class treatment program will be provided, along with necessary housing facilities."

At present the Glades Correctional Institution has a population of 493, with a 500-inmate capacity. Plans for increasing this amount to 700 are based on the assumption that the Legislature will provide for more housing.

Incidentally, the local operation requires more prisoners to take full advantage of the possible food production here. The Committee on Correctional Institutions of the Legis-

lative Council, composed of Senators Charles Johns and Robert C. Smith, Arcadia, C. A. Roberts, Lake Butler, and Paul A. Skelton, Jr., deputy director of business affairs, flew into Belle Glade this week, accompanied by Mr. Wainwright, for a look-see at the Glades establishment.

Emmett Roberts joined the legislative group here both as a member of the Legislature Council.

No indication is in hand concerning the reaction of the Committee on the legislative action sought for the Florida Prison system.

All of the poisonous snakes of North America are shown at Ross Allen's Reptile Institute at Florida's Silver Springs, including the rattlesnakes, water moccasins, copperheads and coral snakes.

For Nov. 1962, the State Comptroller Ray E. Green reported today November sales tax collections totaled \$14,693,549, an increase of \$859,711, or 6.21 per cent over the same month last year.

The Comptroller said the increase brought total collections for the current fiscal period to \$72,700,332, up 6.88 per cent or \$4,672,388, over the same period last year.

"As indicated, we are far ahead of sales tax collections last year which dragged under the previous year," the Comptroller said. "In other words, our financial outlook is much healthier."

Green also announced that gasoline tax collections for November totaled \$10,869,876, an increase of 10.1 per cent over the same month last year. Collections for the current fiscal period total \$53,206,189, up 6.7 percent over last year.

Agriculturally Speaking

The Palm Beach County Cattlemen's Association held their Annual Meeting last Tuesday night at the Canal Point Community Building. Dr. Ben Plummer, Extension Service Veterinarian, of Gainesville, Florida, spoke on "Pesticide Problems in the Cattle Industry." The meeting was preceded by a covered dish dinner and was well attended by local cattlemen and their families.

Mr. Sam Schooley, County Office Manager, of the Agricultural Stabilization and Conservation Service (ASCS) announced that the 1963 Agricultural Conservation Program Initial Sign-up for assistance in carrying out conservation practices started on December 3rd and will continue through January 15th, 1963. All farmers in the Glades area, except those cutting sod, are eligible for this program and may sign up for these practices at the County Agent's Office either in the Glades Office Building in Belle Glade or the Mount's Building, Military Trail, West Palm Beach.

Mr. Cattlemen: — Remember in your fight against Brucellosis, beef calves should be vaccinated between the ages of four and eight months. Beef and dairy calves born in May should

be vaccinated no later than January. Contact your local, State or Federal Veterinarian for details and arrangements. The County Agent's Office can help you on some of the arrangements so if you are interested, please call us.

Speaking of Pesticide Problems — Just a reminder to all our vegetable growers to keep a complete record of all materials sprayed on your vegetable crops. This not only will help you remember whether or not you were able to get control but serve as a record should you get a visit from the Pure Food and Drug Administration Inspector. The State Department of Agriculture has one of their mobile laboratories in this area and are taking samples to check for residues that may be on the crop, and advise the farmers about harvest. We have for several years been reminded to "Read the Label" as it has the complete instruction on the correct use of the material.

Now may be we should add to the phrase, "read The Label" — "Obey the Label."

For the home gardener: — With two cold spells already and should be get a frost or freeze, don't be too anxious to prune out "dead" wood from

your shrubs following a cold snap. Frost will often defoliate branches without killing the wood. If you cut out wood soon after a cold spell, you might discover that you have cut out live wood. Also give another shock to the plant by severe pruning following the shock of the frost damage. So let the shrubs stay in the shed until you are sure of the exact extent of cold damage. This can be best determined by observing the new growth that will come out after the plant has been defoliated following a frost or freeze.

During the next few weeks after the cool weather has definitely "set in" it's a good idea to fertilize lawns and shrubs to provide a storehouse of plant food for the winter months. After all, the roots keep growing, and so do the tops of many plants. Use an 0-12-16 or 0-8-24 mixture of fertilizer and apply 1 to 2 pounds per 100 square feet around shrubs and 10 to 15 pounds per 1,000 square feet on lawns. Don't spare the water during the winter months. Remember that plants suffering from lack of water may not survive the double suffering of cold and drought. A dormant lawn can die of thirst.

CHRISTMAS STOCKINGS are the symbol of the coming season — of the spirit of giving and of the love of children. For this reason they are appearing in mall boxes throughout Florida as soon as The Children's Home Society of Florida mail its annual Red Stocking Christmas Appeal. Contributions received from the appeal will be used to further the charity's work in the coming year — placement of children in adoptive and foster homes and providing emergency care for little ones in distress. Florida residents can live in the spirit of the season by generously supporting the Christmas Red Stocking Appeal and giving the gift of hope to a child this Christmas.

TO ACCOMPANY announcement story Santa Claus was joined by Mr. Mark Huley, Jr., State Board President of the Children's Home Society and two junior helpers in preparing the final details for mailing 85,000 red stocking Christmas appeal letters to residents of 32 mid-state counties. Over 500 homeless children were helped last year to find permanent adoptive homes of their own through the statewide services of Florida's largest and only non-sectarian adoption agency serving all 67 counties. Contributions to this additional appeal this year will support the Society's services in 1963.

THE POSTMAN will be a busy man this season as he "volunteers" his services for the Children's Home Society of Florida. His bag will be filled with the Charity's 1962 Red Stocking Christmas Appeals — asking Florida residents to help in the work of aiding children without homes or family. The appeal letters this year contain a sheet of useful and attractive Christmas labels which contain the words, "Help For A Child." Gifts bearing the labels will actually be two gifts in one — for a friend or relative and again for a little homeless child — and it's certain that they will reappear in the postman's bag soon on gifts addressed to all parts of the country.

SANTA CLAUS himself will be using the Children's Home Society Christmas Labels this year when he makes his rounds in Florida. The attractive "To-From" Labels are being mailed to thousands of Florida residents as part of the Society's annual Red Stocking Christmas Appeal. Those whose gifts bear the labels have actually given twice — once to a friend or relative and once to an unknown child who would have no Christmas at all except for the services of the Children's Home Society. Founded in 1902, the Society is the largest and only non-sectarian adoption agency serving all 67 counties in Florida. Send your contribution to the Children's Home Society, P. O. Box 5587, Jacksonville, 7, Florida.

UNCLE DAN from DOODLE says:

Dear Mister Editor: I see by the papers where some feller from the U. S. Department of Commerce went on radio and television the other night to tell the folks back home about our "national economy." I'm glad I wasn't tuned in on it. They ought to be a law again anybody in Washington even using the word "economy" much less putting such propaganda on the air.

I was raised up to think economy meant careful spending and saving everywhere you could. Whether you was dealing with the leftovers from a meal or trying to make last year's hat do for another season. If they ain't stretched the dictionary a heap, we ain't got no more "national economy" than a goat has got feathers.

They is two things, Mister Editor, you can depend on. Water will run down hill ever chanet it gits, and them Government agencies will spend ever cent they can git their hands on.

For instant, I was reading this piece where the Pentagon boys had bought 492,000 blue uniform coats of around \$10 million, then put 'em in storage. Senator Byrd traced the thing down and the Pentagon admitted this was a 9-year supply. They claimed they bought 'em on account of gitting a good price, but Senator Byrd figured it out and the storage and upkeep on 'em, plus the interest on the Government money, would come to more than the coats costs.

Fathermore, Senator Byrd found the Pentagon boys had more than a billion dollars worth of military clothes on hand in storage and that this was at least \$487 million more than they could use in a 8-year war. Seeing as how the experts say the next war can't last more'n a couple days, it looks like we're a little overstocked on these items, too overstocked for Washington politicians to go on the air with somepun about "economy."

They ain't nothing too good for our boys in the service, and I'm in favor of fixing 'em up with the best food, clothes and weapons money can buy in this life, but it looks like them Washington bureaucrats is also laying in a good supply fer the hereafter.

And I see where Brazil has took over another American firm without paying the owners fer it. That's a good sign that as soon as the Congress gets back in session, we'll increase our foreign aid to Brazil. The good news of the week come from our space scientists. They say they're about to discover what is holding the universe together. When they find it, I hope they a knot in it because it's shore coming un-

Yours truly, Uncle Dan.

The train of four field wagons is pulled to the top of the loading ramp where the cars are tilted and dumped into the portable conveyor.

The conveyor places two car-loads in each compartment (or basket) of the truck.

Under the method of cooperative operation, the farmer is responsible for the cost of cutting the cane, hauling and loading it on the long-distance trucks.

Some College Has Room for You

585 Accredited Schools Report

Four-year accredited colleges have space for at least 57,000 more freshmen for the January term, according to *Changings Times*, the Kiplinger Magazine. Examples listed in the current issue of the magazine include the University of Rhode Island, 909, Drew (N. J.), 35; University of North Carolina, 50.

The annual *Changings Times* survey of vacancies in accredited colleges, summarized in the magazine indicates that although freshmen enrollments are rising faster than expected, there is room for students who take the trouble to learn about the many good colleges that are not overcrowded.

"This autumn, nearly six out of every ten students who graduated from high school in June entered college," the magazine states. "No one forsook the drastic upturn in the percent who would want to go to college. Result: the surge of applications from now on will exceed all earlier expectations."

Even so, the 638 schools responding to the survey reported a total of 41,200 full vacancies in 585 colleges. "Best chance of finding room was at large urban school where students can live off campus," the survey showed. "The University of Denver, for example, could have accepted 150 more day students; Boston University, 100; and so on."

State universities continue to be a good bet for residents, though tough for out-of-staters according to the magazine. At many universities, public and private, there was room for more freshmen in the schools of business, education, home economics, engineering, nursing, pharmacy and agriculture than in the liberal arts division.

"Openings in the smaller colleges were scattered around the country, but most were in the Midwest," the article continues. "About 25 percent of all openings were for campus students and the majority of these were for men rather than women."

In addition, the magazine notes, there is every sign that more and more colleges are looking for upperclass transfers. "Colby (Me.) for example, took four sophomores and five juniors this year but will accept about 25 each next year. Lehigh reports room for well-qualified transfers coming into programs not available in the college of original choice."

Negro News

New Baptist Bethel Church

Miss Carrie Mae O'Neal Reporter

Services were impressively carried out during the day at New Bethel, beginning with Sunday School conducted by Deacon M. L. Davis. Each class had a large attendance and the teachers were at their seats.

At 11 a. m. a spiritual devotion was conducted. Several musical numbers sung by the Choral group and the No. 1 choir rendered the music for the preaching service, by the pastor, a soul stirring sermon from the subject "Jesus Only."

Four members were added to the church. Among the visitors were Dr. W. O. Norville, Mrs. Pauline Morris, Pahokee; Mr. and Mrs. Candy Gaddy, St. Petersburg; and their children Yvonne and Eugene and others.

Pastor Williams Receives Award

Rev. O. D. Williams, pastor of New Bethel Baptist Church and the Friendship Baptist Church, Clewiston, received a telegram that he was awarded the Nathan W. Collier Award for Outstanding and Meritorious service to the Florida Normal and Industrial College at St. Augustine. A salute was given the above named churches for such a fine leader. Rev. Williams is also moderator of the Kissimmee Valley Everglades Association.

Junior-Senior Mission Meetings Conducted

The Junior Women's Mission of the church held their last weekly meeting at the home of Mrs. Dablia Perkins. The Senior Mission held their meeting at the home of Mrs. Addie Thomas. Both Groups report a wonderful time.

B. T. U. Services

An inspiring service was conducted by sister Christine Maynor at the B. T. U. meeting. Again the pastor preached a burning message. The Lord's Supper was administered by the pastor. Rev. H. Robinson was a visitor and an old man, who was traveling and stopped by and was given a donation from the church.

In Service

Army 1st Lt. Kenneth Baldwin, son of Mr. and Mrs. Willie Baldwin, Belle Glade, Fla., recently participated with other personnel from the 36th Medical Battalion in Exercise MARNE ROCK, a two-week field training exercise conducted in Southern Germany.

The exercise was designed to maintain the individual soldier's over-all combat readiness and effectiveness, with emphasis on small unit tactics.

The 23-year-old officer entered the Army in September 1960. He is executive officer in the battalion's 575th Medical Company in Karlsruhe.

Lieutenant Baldwin was graduated from Central Academy High School, Pahokee, in 1956. He is a member of Phi Beta Sigma.

of majors: music, art, speech, DEC. 13, 1962 THE HERALD, Belle Glade, Florida Page 11

home economics, business, engineering."

The complete survey, listing over 585 accredited four-year institutions, is available for 75 cents from the *Changings Times* Reprint Service, 1729 H. Street N. W., Washington, 6, D. C.

ELECTRIC GLASS BOTTOM BOATS

Martin-Marietta Gives Right-Of-Way

G. T. Willey, Martin Company Vice-President and General Manager, today officially donated to the State of Florida a 168-acre tract of Martin-Marietta property for Turnpike right-of-way through the company's

extensive holdings southwest of Orlando.

The property, valued at \$330,000, was formally presented to Governor Farris Bryant who, in turn, presented the official property deed to the Turnpike Authority Chairman, John M. Hammer.

Bryant added, "Many times and in many ways, Martin-Marietta has shown its conviction that partnership with the communities and states in which it is located is a key to successful operation. We look on this Orlando operation as an outstanding example of industrial citizenship."

The Orlando Division of Martin operates a guided missile and electronic communications plant eight miles southwest of Orlando and has 10,000 employees. In introducing Governor Bryant, Hammer said Martin's contribution to the extension was further advanced when the extension would be completed by January 1, 1964 and that the 102-mile section between Orlando and Fort Pierce would be open to the public well ahead of that date.

ITS RELIABILITY COMES FROM ITS QUALITY

A nutshell description of Chevrolet trucks could be "Trucks That Work". It's not exactly earthshaking but it says a mouthful. It's what Chevrolet trucks are best known for—their reliability. Ready to work, day after day, whenever you are.

You can't build trucks that perform like this if you don't put quality into engine, chassis and

body. Chevrolet does: double-saddle construction, insulated cab, select-wood body floor, chassis-supported tailgate, ladder-type frame, the careful attention to upholstery and finish. It's this kind of quality that makes any Chevrolet truck—from pickup to heavyweight tandem—worth more on the average at trade-in!

2 NEW 6-CYLINDER ENGINES

New High Torque 230-cu.-in. Six is more powerful than its predecessor. Standard in Series C10 through C30.

New High Torque 292-cu.-in. Six—most powerful truck 6 Chevrolet has ever built! Standard in Series C30.

ALLEN

WY 6-4248

Mrs. Bill Garcia and Mrs. James Spradley were in West P. Beach on business Sunday. Mr. and Mrs. Riley Foster and Mrs. J. E. Foster spent Sunday in West Palm Beach on a sight-seeing trip.

Meade Willits was home for the weekend from Lakeland where he is attending college. Mr. and Mrs. Eric Hartline went to West Palm Beach Sunday on a business trip.

Mrs. Clayton Wakers and Mrs. Ray Sullivan had as their guests their sister, Carrie and Pam Cook from Chattanooga, Tenn. Mrs. J. R. Miller, Sr., is visiting her son and family Mr. and Mrs. J. R. Miller, Jr., for a week. Randy Miller spent the weekend in Pahokee.

Mr. and Mrs. Anton Mostar are staying during the winter in their Palm Beach home. Mr. and Mrs. Buddy Harrell of Indianwood were Saturday night guests of Mr. and Mrs. Bill Blackwell.

Effie Allen Honored At Birthday Party In Local Hospital

Mrs. Effie Allen was honored with a birthday party in Room No. 1 at Belle Glade Memorial Hospital on Sunday afternoon. Effie who was 57 on Saturday is recuperating from surgery and is expected to be released from the hospital the latter part of the week.

Birthday cake and coffee was served by her daughters, Mrs. E. N. Noyes and Mrs. Martha Abstein to the guests W. C. Allen, Mr. and Mrs. Hoke Knowlton, Mrs. Minnie Hester, William Murray and JaBee of Lantana, Floyd Abstein, Judy and Linda of Ft. Pierce, Fred Boorman, William Massey and Howard Holland.

Effie received many lovely gifts including a wrist watch, house coat, pick up bag, handkerchiefs and money.

Mozart; Marilyn Stokes — Spinning Song — A. Elmenreich; Judy Zwicki — I Love You Truly — Carrie J. Bond; Gayle Sullivan — Camping Out — D. Hirschberg; Alma Nell Douglas — Spring Time Waltz — Christine Gorman; Susan Wilton — Ice Ballet — Lella Felcher; Melissa Schoepel — Parade Of The Wooden Soldiers — Leon Jesel; Diane Shiver — By A Blue Lagoon — Maxwell Eckstein; Duane Stokes — Cool Boogie — Mary Ruth Rogers; Sharon Organ — In God's Garden — Otis Gruber; Sharon Walls — Meditation — Lella Felcher; Sharon Wilder — Comin' From The Jam Session — David Glover; Vicki Challancin — Star Dust — Jerry Carmichael; Vicki Wilson — Polonaise In A-B — Kathy Ferguson; Organ — Meditation on "Deep Rivers" — Percy McChesney; Susan Wilton — Gypsy Campfire — D. Hirschberg; Gladys Messer —

Garden of the Stars — Saints-Seans; Marion Sullivan — Melody of Love — H. Engelmann; Alice Robertson — Edel Weiss Glade F. E. Cloud; Doris Wilits — Kiddie Kapers — Nat Skilket.

Refreshments were served following the recital.

C. W. Kendall Named General Chairman 1963 Parade Of Homes

C. W. Kendall, of West Palm Beach has been named General Chairman of the 1963 Parade of Homes scheduled for early next March.

The parade will be located on 19 large lots facing Lake Mangonia on Australian Avenue near the 38th St. intersection. These were provided for the Parade by the Perin Land and Development Co. The 19 homes will be constructed by members of the Homes Builders Association of Palm Beach County.

The parade will represent the best in modern design for Florida living in the \$14,500 to \$35,000 bracket and incorporate many new materials on the market, Kendall said.

Kendall is President of the Kendall Construction Co., of West Palm Beach. He has 24 years experience, in the home building industry, and has built more than 2,000 homes in the County, including many in Belle Glade and area.

A Past President of the Home Builders Association, Kendall is today a Director of the National Association of Home Builders, and is also a Past President of both the Associated General Contractors for this area, and the builders industry Joint Cooperative Council. He has also been a Director of Rotary here, and in addition to being a member, and holding office, in several other organizations is an Elk.

Glades Lanes Team Beats Lake Worth

Glades Lane Team won over Major League team of Lake Worth Sunday afternoon at Glades Lanes. Glades team rolled a 2817 set to Major League's 2619 set. Jerry Gummere rolled 223, 216-635 and Joe Leavitt rolled high game 255, and 605 set, for Glades Lanes and Gene Evans rolled 203, 204-598 for Major League Lanes. A return match will be played in Lake Worth on Dec. 30.

"Christmas Holiday Ballet" Scheduled Dec. 28-30 At Poinciana Playhouse

Frank J. Hale has announced a large number of prominent Palm Beach residents have accepted to serve on the advisory board of the Academy Royal Theatre for the 1962-63 season.

The Academy Royal Theatre is a non-profit organization which is presenting on Dec. 28, 29, 30 at the Royal Poinciana Playhouse the spectacular "Christmas Holiday Ballet" featuring international stars Maria Tallchief, Oleg Tupine and Claudia Cravey, plus one other noted artist who is to be announced shortly.

The regular board of directors of the Academy Royale Theatre, Inc. is composed of Frank J. Hale, Founder-President; Richard E. Walsh, Vice-President; and Baroness George de Grippenberg, Secretary.

Baroness de Grippenberg is flying from New York to attend the gala dress opening and the audience will include many other notables, among whom will be Frank Folsom, Chairman of the Board, Radio Corporation of America and Mrs. Mary Robeling, who will be guests of Mr. and Mrs. Louis E. Marron.

Distinguished names on the American scene are also on the Advisory Board, among these being Miss Helen Hayes, Miss Faye Emerson, Mr. and Mrs. Robert Cummings and Mr. and Mrs. Robert O'Connell.

By special arrangement, the famed Celebrity Room of Royal Poinciana Playhouse will be opened for cocktails and buffet dinner for one evening, Dec. 28, the premier dress occasion. Theatre-goers who plan for the

buffet dinner are requested to make advance reservations by telephone TE 3-6100.

Exceptional public interest is being shown in the two evening and two matinee performances of "The Christmas Holiday Ballet" and because of this, the box office has been opened daily from 10 a. m. to 5:30 p. m. at the Royal Poinciana Playhouse.

All tickets are tax exempt. For the gala dress opening, Friday night, Dec. 28, tickets are on sale at \$10.00, \$7.50 and \$5.00. For the Saturday night, Dec. 29, performance, the \$5.50 and \$3.50 tickets are sold out. A few seats in the orchestra are still available at \$4.50.

Saturday, Dec. 29, and Sunday, Dec. 30, matinee tickets are at a single price, \$2.50, but there will be no reserved seats for either performance.

OES Honors Past Matrons, Past Patrons

Past matrons and past patrons were honored at the Thru- day night meeting of the Order of Eastern Star held at the Mas- onic Temple. Each one present at the meet-

ing gave a resume and high- lights of their term of office. Those present were Mrs. Paul- ine Boydston, charter member and first worthy matron, Mrs. Beatie Lyons and Walter Sch- lechter-1945; Mrs. Ruby Bailey- 1946; Mrs. Margaret Royals 1949 Mrs. Louise Zumpf, 1955; Mrs. Dorothy Graber, 1958; Mrs. Eve- lyn Allen and Robert J. Allen, 1960; Mrs. Beulah Simmons and Fred Simmons, 1961.

Mrs. Faye Greer, worthy mat- ron expressed her appreciation for their service to the chapter. During the business meeting, Mrs. Beatie Lyons reported on the fruit cake sales, proceeds which go to the Rheumatism and Arthritis Foundation. A report was heard on the rummage sale and announcement made of an- other on Jan. 12.

Plans were made for the of- ficial visit of Mrs. Leola Pros- ser of Zephyrhills, worthy grand matron Dec. 20, preceded by a banquet at 6 p. m. at Jame- son Hall catered by the Wo- man's Society of Christian Ser- vice of the Methodist Church.

Christmas gifts were brought by members to be sent to the Masonic Home at St. Peters- burg. Following the meeting re- freshments were served by the committee composed of Mrs. Aleese Cherry, Mrs. Irvin Zumpf, Mrs. Julius Harris, Mrs. Mildred Browne.

The worthy matron thanked substitute officers and the re- freshment committee for their service for the evening.

Fla. Power & Light Tells "Snow Birds"

"Come Down-Soon" In an attractive ad in the Wall Street Journal, the Fla. Power and Light tells northern prospect visitors that "All Flor- ida is Alerted — Just For You," according to M. B. McDonald, Vice President.

The ad says, "Don't let those unfounded rumors about Florida so-called 'Military activity' keep you from enjoying Florida's famous sunshine and hospital- ity."

Jaycees To Get New Newspaper

The Belle Glade Jaycees are working hard to organize and publish a new club newspaper. The name will be "Harvest Queen," with a distribution set at close to one hundred. This newspaper will not only in- crease conscious but also con- sciousness.

It is designed as a two page publication promising to carry news-worthy items. Editor-in- Chief, Jim Ghioto, says that this will soon be one of the best Jaycee newspaper in the state. Jim already has his immediate crew hard at work. These men are George Powner, advertising manager, and Ken Moring, editorial manager, along with the whole-hearted support of the club. "You couldn't find a bet- ter working crew than the Belle Glade Jaycees," says Jim.

As each Jaycee project pro- gresses, its happenings will be reported. Every member will have an opportunity to write an editorial to his liking. This will give everyone a chance to speak out and exercise his right of freedom of speech and press. Be- ing a young mens organization, nothing could be finer for a stepping stone toward becoming a better citizen of our commu- nity.

The "Harvest Queen" will be a self-paying project. There- fore there are a limited number of advertising spaces. These spaces will be sold at a very low price.

This will be a project every Jaycee will be justly proud of.

"Telstar, The Voice In Space" Program Heard By BG Civitans

Mr. Allen Ward of Southern Bell's West Palm Beach office explained the workings of Tel- star, the experimental satellite, to Civitans their November 28th luncheon.

"A trailblazer for future com- munication satellites, Telstar was launched months ago from the third stage of a Delta ro- cket. The satellite now travels at 18,000 plus mph and cuts thru the Van Allen radiation belt in an orbit which ranges from 375 to 3900 miles from earth. The many sided satellite "globe" is some 4 feet in diameter and fac- ed with 400 solar cells which charge 19 nickelcadmium bat- teries. Three mirrors reflect light for visual tracking. All components are constructed to expand and contract equally."

"The receiving and transmit- ting mechanism of more than 2000 transistors and electronic devices is in a 20 inch canister suspended in the satellite. Com- munication is by line-of-sight radio microwave and a single beam can carry 600 one-way voice transmissions or 1 TV channel simultaneously. The 280 ton giant-horn receiving an-

tenna at Andover, Maine can pick-up a "one-billionth watt signal and amplify it over a mil- lion times. The unit receives at 4000 Mcys and sends at 6000 Mcys. Bell Systems will conduct 115 individual tests with the satellite."

Mr. Ward emphasized that Telstar is a private enterprise venture. Results of some 19 ma- jor inventions are represented in the orbiting unit and ground stations. These include the solar cell and battery, transistors the ruby maser, high power ampli- fiers and a travelling wave vacuum tube which can amplify a radio signal 10,000 times. Some 36 billion dollars were spent in development and test- ing before the launch. The satel- lite itself cost a billion dollars while NASA received 3 billion dollars for the rocket and launch. The giant horn antenna cost an additional 10 billion dol- lars. And, the satellite will au- tomatically destroy itself two

Years after launch, not become space "junk"

By orbiting above the Van Allen belt future satellites may provide 10 years of non-jam- mable, ocean-spanning commu- nication more economical than current commercial methods.

Future systems may include as few as three 22-mile high satel- lites or as many as 40 or 50 orbiting closer to earth. This timely, illustrated pro- gram was arranged by Civitan Myron Ludlow. Reported by J. R. Orsenigo.

Handy phones make happy homes... all year round

Telephone services are personal, different, and appreciated all year long. Here are three ways to make Christmas really special in your home:

With extension phones, for Mom in the kitchen, for Dad in his den and for every- one in the family room. Step-saving, time- saving extensions come in a wide choice of colors and styles.

With Home Interphone as a part of your family's regular telephone service. Home Interphone lets you talk room to room, answer the door, relay outside calls, check on the children — all from the nearest phone!

With the Bell Chime to carol your calls with musical tones. When warm weather returns, you can set the Bell Chime for a louder bell that's easily heard on porch or terrace.

And consider this — these and other useful, modern telephone services are so easy to order. Just call the Business Office or ask your telephone man.

IMPORTANT NOTICE FOR PALM BEACH COUNTY VEGETABLE GROWERS:

Now is the time to switch to **Phosdrin® Insecticide** to maintain complete protection against insects up to 24 hours from harvest—without creating residue problems.

Powerful Phosdrin Insecticide gives you fast knockdown and kill of aphids, mites, loopers, worms—almost all destructive pests attacking Florida crops.

Then, unlike most other insecticides, Phosdrin disappears, leaves no residue. That's why it can be applied up to 24 hours from harvest on many crops—up to 72 hours on most others.

Read how Phosdrin can save your crop from late-season insect damage or worse, confiscation. Check the chart below for the intervals that apply to your crops.

If not controlled, a late-season insect build-up can quickly downgrade—or make completely unsalable—vegetable crops such as tomatoes, beans, potatoes, peppers, celery, watermelons, eggplants and most leafy vegetables.

If, on the other hand, the infestation is controlled with an insecticide that leaves excess residue on the crop at harvest, the crop is subject to confiscation by government authorities under the terms of the Miller Amendment to Public Law 518.

This is a problem that many growers are solving with Phosdrin Insecticide.

Kills insects fast

Phosdrin is a powerful new phosphate insecticide that kills the toughest insects fast, usually within a few minutes of application. However, unlike most other insecticides, Phosdrin disappears rapidly after it has done its job—leaves no residue.

That's why Phosdrin can be applied up to 24 hours from harvest on many crops—

The photo left shows a Florida grower applying 1/4 of a pound of Phosdrin per acre to control a late-season build-up of aphids and mites attacking an 82-acre field of tomatoes. The photo on the right shows pickers harvesting the same field the following day. No Phosdrin residue remains to endanger either the pickers or the crop.

up to 72 hours from harvest on most others. Note: See table below for interval data for your crops.

Hard-to-kill insects

Phosdrin solves other problems too. It controls insects such as cabbage loopers and aphids that are becoming harder to kill with

older insecticides. That's why more and more growers are making Phosdrin an integral part of their full-season program.

Good mixer

Phosdrin is compatible with most other insecticides and fungicides. And Phosdrin offers a wide margin of safety to the foliage and fruit of insecticide-sensitive crops such as cucumbers and lettuce.

Low cost

Don't be misled by the cost per pound or gallon of Phosdrin. A little Phosdrin goes a long way. For example, as little as 1/4 to 1/2 of a pound per acre is all it takes to control the toughest in-

sects attacking many vegetables. Dosage rates seldom exceed 1/2 of a pound per acre. In short, on a per acre basis, Phosdrin is very economical.

Where to get Phosdrin

Phosdrin is available from your local insecticide dealer under many well-known brand names. It comes in liquid and dust formulations that are easy to apply with standard application equipment.

Remember, look for the name Phosdrin on the label or in the ingredient statement. Shell Chemical Company, Agricultural Chemicals Division, 55 Marietta Street, N.W., Atlanta 3, Georgia.
